Dear Sir/Madam,

I write to you just to let you know that we had the great honour of travelling with your company on a very recent visit to Australia. We just wanted to tell you that the guides that we had on all three trips we took were excellent .we were very impressed with the whole of every tour and the extra knowledge that they had of both the area and history that they had obviously taken great care to look up and pass it onto the tour group. The 3 guides that we had were as follows; Mick was the first who took us to Tablelands, skybury & Kuranda. Next we had Jorge who took us to Cape Tribulation & Daintree Rainforest. Finally we had Shane, he took us to Waterfall, Ma Mu Canopy-Walkway & Paronella Park.

They are a credit to your company and should be proud of the work that they do. We had a wonderful time and thrilled with all the tours, will you please pass on our good wishes to the above guides as we feel they deserve a pat on the back for a job well done.

When we come back in about 5 years and you are still in business we would not hesitate to book with you again and we will tell friends who are visiting the area to go with your company as it was such a great experience for us.

Many thanks from first time travellers into Australia. Our good wishes are sent to one and all.

Regards Ken and Anne Musgreave.
